Attention IFSHA Members:

There have been a couple of changes, which will take place effective with the 2014 show year beginning on December 1, 2013.

## **Great news for our membership regarding IFSHA HOTY – Horse of the Year!**

IFSHA HOTY (Horse of the Year) points will now be posted by the IFSHA office. Shows, which are rated by USEF will be posted automatically.

For shows, which are not rated, the results of these shows must be sent by the member to the IFSHA office. Please send the office your results to include: Name of Show, starting date, class number, class title and a link to or information about where a full set of results can be located. Many times, if you, the competitor, notify management that IFSHA does provide a HOTY program, management might provide a copy of the results automatically. The IFSHA office will attempt to contact show management in advance of the show, to request a prize list and official results.

The closing date for all inquiries and submission of results and high point information is December 1st of each year.

## **Credit Card Convenience**

### **Paying by Credit Card**

Beginning December 1, 2013 if payment is to be made by credit card for membership of people or horses, please add \$5 to the membership fee. (I.e., \$45 for an adult membership if paid by check. \$50 if paid by credit card).

Thank you for your continued support of the International Friesian Show Horse Association.

Sincerely,

Nancy Nathanson  
IFSHA Executive Director
